

2001 . . .

A New ERS Website

Coming in January—a completely redesigned, re-engineered ERS website. Users will find the same timely, comprehensive economic analysis on agriculture, food, the environment, and rural development, presented in an improved, streamlined format with enhanced information and features.

- More user-friendly navigation.** Find exactly what you need more easily and quickly.
- A powerful search engine.** Search by topic, or use an advanced search feature for more specific information.
- Enhanced features and services.** Easily locate upcoming events and publications, ERS experts, and new and newsworthy ERS research products. Customize your ERS e-mail subscriptions.
- Syntheses of specific ERS research.** Visit briefing rooms for an in-depth, synthesized discussion of ERS research on a wide range of individual topics, along with access to publications, data, and related information sources.
- Easily accessible data.** Access data re-engineered for ease of location and use; databases on major commodities and trade allow users to retrieve data by commodity, country, and time period.

More . . .

Find a wealth of economic analysis on issues ranging from the World Trade Organization...to farm business concerns such as risk management and farm structure...to food safety, environmental policies, and the economy of rural America.
